“Children are a heritage from the Lord ...” Psalms 127:3
Happy Father’s Day

Good Morning

At camp this summer, I was sitting outside with my son and he started asking everyone who walked by if they had a “taco tan”. Confused by the question, I asked him to explain what a “taco tan” was. He said, “Dad, you know, a taco tan,” pointing to the zigzag pattern on my wife’s feet. I realized that he was not talking about a tasty Mexican treat, but that he had gotten the words taco and “Chaco” mixed up. “Chaco” are a trendy brand of sandals that have a unique zigzag pattern to its straps.

People do a lot of activities outside during the summer . Whether you are on vacation or at church camp, spending so much time outside means a lot of exposure to the sun. You can tell who has been out in the sun because they turn shades of brown, or unfortunately, sometimes shades of red.

You can also tell who has spent time in the presence of the Son this summer. It may not be as visible as tan lines and sun burns, but you can tell. The signs of time spent in the presence of the Son are not physical, but spiritual. You will notice a greater love for God and a greater love for others. With that exposure to the Son, we all will develop a closer relationship with our heavenly Father.

Many of us work very hard to look like we spent time out in the sun. We lay outside, go to tanning beds, and even use spray and lotion in order to achieve that “time-spent-in-the-sun” look. As Christians, we need to pursue the results of “spending time” in the presence of God’s Son. There is no instant tanning lotion – instead “the look” comes from time spent in prayer, the Scriptures, and Christian fellowship. So let us not work so hard on our suntans and instead work on our **Son-tans** and being reflections of Jesus Christ.

Again Jesus spoke to them, saying, “I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life.” -John 8:12

2020 Budget Update

The elders adopted the Baker Heights 2020-21 fiscal year budget in March. A budget presentation was planned to present to the congregation, but the COVID-19 restrictions were implemented at that time.

Since that time, the elders have made several changes to limit expenditures, these changes include reducing our office hours, reducing our building cleaning service, turning over support for Cuenca Ecuador to the Oldham Lane congregation, and applying for governmental funds through the Paycheck Protection Program (PPP). This allowed us to meet our ongoing expenses at a time when our weekly contribution is approximately \$1,400 a week below the budgeted amount.

As Texas and Abilene continue to reopen and we resume our normal meeting schedule, we expect the contribution to increase and provide some relief to the budget. With James Sanderson's departure to Waxahachie, the eldership plans to move those budgeted salary funds into the Building fund (for emergency and planned repairs and maintenance).

On the right is a summary of the 2020-21 budget by ministry, if you would like a copy of the full detailed budget, copies will be available at the back of the auditorium or from the office.
